

**SCLR Death Valley Trip to Echo Canyon and Titus Canyon  
February 22-24<sup>th</sup> 2002**

**Trip Notes:**

I think everyone will enjoy this trip, the routes that we picked are capable of being run by a stock discovery, however, as always I suggest the minimum protection of Dif. Guards and Rock Sliders.

**Routes:**

**Saturday February 23<sup>rd</sup>:**

**Echo Canyon:**

This is a great run with a few ghost towns and difficult trail sections thrown in. Please plan on a "Full" day so remember to bring extra water, food and clothing.

We need everyone fueled-up and ready to go at 8:30am in the parking lot in front of the Furnace Creek Ranch Check-in office.

**Sunday February 24<sup>th</sup>:**

**Titus Canyon:**

This is another great trail with a few less challenges than Echo Canyon. The plan is to be done by 1:00 pm and then everyone can head back home.

We need everyone Fueled-up again and ready to go at 8:30am at the same place as Saturday.

**Lodging:**

Reservations, if still available, can be made by calling 760-786-2345 and refer to Booking #5076.

**Camping:**

I will be camping with my family in the campground attached to the Furnace Creek Resort if anyone is interested in camping you can call 1-800-365-2267 to reserve a campsite and if you want to stay near us please tell the reservation office that you are interested in a campsite near ID#1186956 and/or Reserv.
